

FiNC Technologies' Corporate "For a Healthy Today" Free Fitness Livestream and Wellness Survey System! **~Joined by Ezaki Glico, NEC, Saison Information Systems, Fujimoto HD, and Lenovo Japan! Other Companies are Welcomed~**

FiNC Technologies Inc. (headquarters: Chiyoda-ku, Tokyo, CEO: Mitsunori Nanno, referred to as "FiNC"), the healthtech venture that specializes in preventative healthcare and AI, is supporting people who are working from home with new content in the "For a Healthy Today" project. This includes a free fitness livestream "Wellness Time^{※1}", beginning April 9 (Thursday), which encourages exercising and increases productivity.

There are growing concerns that many people are not getting a healthy amount of exercise, as many people are working from home and spending time inside due to the novel coronavirus. This project aims to increase the productivity and daily exercise of employees from participating companies with a free fitness livestream "Wellness Time". The Wellness Time livestream will run weekdays at 3pm (excluding public holidays) from April 13 (Monday) to May 31 (Sunday).

※ Wellness Time is the online fitness livestream with FiNC professional trainers.

Currently, Ezaki Glico Co., LTD., NEC Corporation, Saison Information Systems Co., LTD., Fujimoto Holdings Co., LTD., Lenovo Japan Corporation, and others (in no particular order) have officially joined the project, recommending the Wellness Time livestream to their employees.

Participating companies can also apply to use a wellness survey tool, which measures the health condition of employees, and a chat room tool for communication within departments. This is will be available for free until May 31 (Sunday). Companies who apply will receive 50% off coupons for original FiNC healthcare products.
